Honorable Sir:

This Information Disclosure Statement is submitted in compliance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98.

Applicant hereby encloses a check in the amount of \$180.00 for the fee set forth in 37 CFR 1.17(p) for submission of an Information Disclosure Statement under 37 CFR 1.97(c).

Record is attached of published art for consideration during prosecution of the above-identified patent application. No representation is made or intended that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is expected that the Patent and Trademark Office will conduct an independent search for relevant prior art.

Unless otherwise indicated, or unless references cited are U.S. patents or patent application publications, a full text copy of the entire reference of published art is attached.

Where specifically indicated, an equivalent English language patent or publication is attached in lieu of the translation. Where "translation" is checked on PTO Form PTO-A820 (Form PTO-1449), it may indicate a partial translation, e.g. of an abstract or claim.

Unless otherwise indicated, a full-text copy of each cited reference is attached. An English language abstract is attached to DE 19923584 and WO 02/058850 A1 to provide a concise explanation as to the relevancy of each reference.

In accordance with the Patent and Trademark Office Notice of August 15, 1980, also enclosed is a completed Form PTO-A820 (Form PTO-1449).

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Howard M. Ellis", is written over the printed name.
